If you are interested in **GASCalc-only** training, you may attend one of our scheduled courses. The GASCalc training will occur on the first day of the courses listed above. The cost of the GASCalc-only course is \$495.

If you are interested in **GASWorkS-only** training, you may attend during one of our scheduled courses. The GASWorkS training will occur on the second and third days of the courses listed above. The cost of the GASWorkS-only course is \$695.

If our course schedule does not meet your needs, we can conduct any courses at other times to meet your individual or group needs. We can also provide individually tailored courses at your site or ours and schedule additional courses upon request. Please contact us at training@b3pe.com to discuss your specific training needs. Visit our website, www.b3pellc.com, for additional courses, course descriptions, and registration information.
