

StationManager™ is sold on a per-license basis. Each purchased copy of the software represents one License. Discounted prices are available for multi-copy purchases. Depending on the version, StationManager may require the software to be registered or require the use of a hardware key to operate correctly. One registration number or key is provided with each purchased copy of the software.

The StationManager software is delivered by way of electronic download. The software requires a device configured to run Windows 7 through Windows 11.
